To whom it may concern:

On behalf of the Commercial Section at the U.S. Embassy in Baghdad, Iraq, I would like to congratulate the organizers of the 2d Iraq Energy Expo and Conference held April 23-26, 2012. We have known the organizer, Iraq International Company (IIC), for quite some time and have always been impressed with their ability to create some of the best trade events in Iraq.

We were proud to exhibit with several U.S. companies at the Energy Expo, and I'd like to urge American firms serious about the large and rapidly growing Iraqi energy market to consider participating in 2013. We look forward to participating in this and other events organized by IIC in the future – including the Baghdad Oil and Gas Conference that takes place December 11-12, 2012.

Finally, we would like to thank the wonderful staff at IIC and the Iraq Energy Expo for their professionalism and attention to detail. We are very satisfied with the high degree of service they offer foreign companies and excellent attitude.

Sincerely,

Bryan Larson
